ENTRANCE HALL 10'10" apx x 6'11" inc stairs

You enter the property through a part glazed uPVC door into this lovely entrance hall. There is space to remove outdoor items, and an understairs cupboard provides good storage. A front facing window lets natural light in, a staircase ascends to the first floor landing, and attractive wood flooring completes the space. Glazed doors lead to the lounge and kitchen.

LOUNGE 12'4" apx x 10'9" plus bay

This generously sized lounge provides ample space for a range of furniture and has a front facing bay window which looks out over the front garden. An electric stove, which sits upon a black hearth, creates a focal point though there is a gas supply behind should a gas fire be preferred at some point, and the attractive wood flooring continues through from the hall, which is also where the glazed door leads to.

KITCHEN 10'11" apx x 8'11" apx

Fitted with cream shaker style wall and base units, solid wood work surfaces, tiled splash backs and a Belfast style ceramic sink with mixer tap, this light and airy kitchen also benefits from space for a range with a Rangemaster extractor fan over. Integrated appliances include a fridge and a washing machine. A rear facing window looks out over the garden. There is tiled flooring underfoot, glazed doors which lead to the hall and dining room, and a further external uPVC door which opens to the side patio.

DINING ROOM 10'10" apx x 10'5" apx

Positioned in between the kitchen and sun room, this space is extremely versatile and could lend itself to a number of uses. A dining table and chairs could comfortably fit in here, or there is the potential (subject to the necessary checks and permissions) to remove the dividing wall between the dining room and the kitchen to create a wonderful open plan space. Alternatively, the vendors use it as a second sitting room, and with it being open to the sun room, it is a fantastic place for entertaining. A dado rail adds a nice touch, there is wood flooring, and a glazed door leads to the kitchen.

SUN ROOM 9'7" apx x 8'8" apx

This superb addition to the property adds flexible living accommodation and is home to a wood burning stove with an exposed brick backdrop, which offers a lovely feature to both this room and the dining room. High angled ceilings provide a further point of interest, there is spot lighting, wood effect flooring, glazing to two sides, and French doors which open out onto the rear patio.

FIRST FLOOR LANDING 8'2" inc stairs x 5'8" apx

A split level staircase rises from the entrance hall to the first floor landing where there is an obscure side facing window, a ceiling hatch which provides access to the boarded loft space, and doors which lead to the three bedrooms and bathroom.

BEDROOM ONE 11'3" apx x 10'11" apx

Located to the rear of the property is this king size bedroom, which can easily accommodate a range of bedroom furniture items and has a rear facing window looking out over the garden. There is a feature dado rail, wood flooring, and a door which opens to the landing.

BEDROOM THREE 8'2" apx x 8'0" max (inc bulkhead)

Positioned to the front of the house is this third single bedroom. The vendors have creatively fitted a bespoke single bed over the bulkhead, however there is also the option to place this under the window, which looks out over Bedale Avenue. There is wood flooring and a door which leads to the landing.

BATHROOM 8'0" apx x 7'10" apx

This sizeable house bathroom comprises of a roll top bath with vintage style mixer tap, hand held shower attachment and mains fed shower over, a pedestal hand wash basin with hot and cold taps, and a low level W.C. FRONT GARDEN

The property sits discreetly behind a low maintenance pebbled front garden with a mature hedge boundary which creates privacy.

DRIVEWAY AND GARAGE

A long driveway leads down the side of the house, providing parking for multiple vehicles, to a single detached garage. The garage has light and power and an up and over door.

REAR GARDEN

Having been fully landscaped, this lovely space has a good sized Indian stone flagged patio which is perfect for pots, planters and outdoor furniture.
